

ANDRE RABE

Saturday, April 4, 2015 10:00 am

Andre and Mary-Anne met as teenagers, while doing ministry work in Southern Africa. A beautiful love story unfolded and within a few months they were married and travelled to neighbouring African countries to spread the good news of a happy God. Today their ministry extends to many countries across the world. *"God is so eager to confirm the revelation of Jesus Christ."*

At Bellflower Grace Communion International
